

Mandatory Tech Inspection in 2010

The MMA will now be performing MANDATORY Technical Inspections at each race on all:

- 50cc 4-6
- 50cc 7-8
- 65cc 7-9
- 65cc 10-11
- Little Ladies
- 85cc 7-11
- 85cc 12-16
- Supermini
- Beginner ATV
- Beginner MX-1
- Beginner MX-2

The Tech Inspection will consist of checking the basics such as, but will not be limited to:

- Properly functioning throttle return
- Operating front & rear brakes
- Side stands must be removed
- Footrests must fold back at a 45 degree angle (ATV's must have nerf bars or OEM footboards)
- No repaired, cracked or broken handlebars
- 1/2" diameter ball ends on all control levers
- No leaking fuel tanks
- Fenders must extend at least to a vertical line drawn through the back -- axle
- Three (4 for ATV's) securely mounted, clearly visible, color compliant -- number plates are required
- Operable kill switch (ATV's must have a tether cord)
- Securely attached exhaust system
- Snell or DOT approved helmet

This will start at the first race of 2010 and will take place during SIGN IN HOURS which are 7-9pm on Saturday night and 6-7am Sunday morning. Please make sure you bring your bikes & helmets to sign in.

Tech Inspection is mandatory and if you show up for your moto on a bike/ATV that hasn't passed Tech Inspection, you will not be allowed to compete. This is being done in an effort to keep our races and riders as safe as possible.

Thanks for your anticipated cooperation, see you at the races!
